

SPECIAL COMMUNICATION

***Bermatex Inc. OPENED A NEW
SALES AND DISTRIBUTION OFFICE IN BROSSARD QC***

Dear customer,

We would like to make the announcement that Bermatex Inc. opened a sales and distribution office in Brossard QC last Monday, January the 16th 2006 . The opening of this office will bring Bermatex closer to its customers and it will improve our service to you.

Consequently, all orders or request for quotations should be addressed to our new office in Brossard . It will be our pleasure for Olivier, our new customer service representative, and myself to answer promptly to your inquiries.

For the last 35 years, Bermatex Inc, has been recognized to be a Canadian leader in texturing filament yarns. In addition to its manufacturing capabilities, we are now able to provide you with top quality yarn from Asia at very competitive pricing. We also believe that we have a unique portfolio of products from which you can respect Nafta and Non Nafta yarn content legislation.

We feel that this initiative to open a new office in Brossard with products for most of your needs will help you to stay competitive in this global market place.
